## Continuous Home Cage Video Monitoring & Inspection

### VIDEO MONITORING

- Hardware & Software for Home Cage Video Monitoring
- Accurate real-time activity
- Daily cage inspection digitization
- Remote work
- Historical Video footage & activity data from every cage

### BETTER ANIMAL CARE

- Automated cage issues (e.g. no food, flooding)
- Stress free environment
- Minimized time in room
- Identify humane endpoints
- Post surgical monitoring

### BENEFITS

- Remote cage checks
- No removing cages from rack
- No PPE requirements, usage or waste
- Need-based cage changes
- **Science in the Home Cage**

**BETTER DATA IN LESS TIME!**
